A BAPTIST CATECHISM

Question 46: What did God at first reveal to man for the rule of his obedience?

Answer: The rule which God at first revealed to man for his obedience was the moral law.

Romans 2:14-15

For when the Gentiles, which have not the law, do by nature the things contained in the law, these, having not the law, are a law unto themselves: Which shew the work of the law written in their hearts, their conscience also bearing witness, and their thoughts the mean while accusing or else excusing one another

Scripture: Rom. 2:14; 15; 5:13, 14.
